How your funding can help young people and prisoners to KeepOut

As with many charitable organisations, our work depends greatly on the generosity and support from the many trusts, foundations and individuals whose kind donations are the lifeblood of our work. KeepOut is a registered charity with an independent Board of Trustees and a part time fundraiser. Each year we seek to raise between £150,000 to £180,000 to ensure our vital services are available to those young people and prisoners requiring an intervention from KeepOut.

There is a great need for the work that KeepOut delivers and this is evidenced by the demand for our services, for which we have a six month waiting list. KeepOut is constantly used by the Police, Youth

Offending Teams, Pupil Referral Units, Social Services, voluntary youth organisations and many other high profile groups working to prevent crime. Based on research, eight out of ten young people will respond to this project, which ultimately means that a reduction of crime will be achieved. This has a real benefit to our society, with less crime being committed and therefore less victims of crime being created. Families, schools and statutory services also benefit greatly from the improved behaviour of these young people.

To give you an indication of how your grant could make a difference, on average it costs just £100 to provide a KeepOut intervention workshop for a young person. Therefore a grant of £1,000 would allow 10 young people to attend KeepOut and £10,000 would make 100 new places available.

Should you feel able to make a financial contribution to KeepOut we can assure you that your donation will be put to excellent use. It will allow us to continue our life changing work with young people and the prisoners who have dedicated their lives to help them KeepOut. **Please use the form below to make a donation by cheque or to establish a regular Standing Order contribution.**
